History

The Abeniqui Golf Club was organized in 1897 by a group of visionary citizens and became incorporated in 1903 as a private golf club. The club catered to recreational interests of the areas prominent hotel guests and summer residents.

The original course, designed by Arthur Harris Fenn, allowed for nine holes, but was redesigned with many additions over the years. It has evolved into the present world class, 100 acre, 18-hole course renowned as the Abeniqui Country Club and remains the only member private country club in the New Hampshire Seacoast.

Conveniently Located

Abeniqui Country Club is located on the New Hampshire seacoast, we are surrounded by pristine woodland and gentle ocean breezes.

Less than seven miles from downtown Portsmouth and five minutes from Hampton, our spacious property is accessible (15 minutes from I-95) and surrounded by restaurants, hotels, and other local attractions.

Floor-to-ceiling windows allow for natural sunlight and guests enjoy a beautiful panoramic view overlooking plush fairways. Warm neutral tones combined with the well appointed architecture in our ballroom create an elegant, welcoming atmosphere. Walk through the French doors to the spacious deck to enjoy the fresh, ocean breeze.

Established in 1903, our club facilities include a world-class golf course, four har-tru tennis courts, and a magnificent clubhouse with simply elegant dining facilities.

Our perfectly constructed golf course boasts 6,697 yards over 100 acres. Abenaqui's professional Golf staff is ready to work with you to host golf events and outings.
